sized software tool that provides you with the means to track your favorite football team score using a virtual scoreboard. You can access all the application's features using only the mouse and the keyboard interface. With this utility, you can count scores of football games that are held in arenas, open fields, stadiums, gyms or other facilities. Simple and user-friendly GUI layout Football Scoreboard Pro Product Key features an intuitive and easy-to-use interface that doesn't overwhelm you with buttons, tabs and menus. It simply consists of a single window that basically is the actual scoreboard. Fixed scoreboards are outdated in comparison to Football Scoreboard Pro Crack Keygen since the latter offers you the flexibility to use the application anywhere you go using the same hardware. Thus, proving to be a really cost-

effective tool and also a portable alternative to more expensive physical scoreboards. From the scoreboard's Options window that can be accessed using a shortcut key, you can add or remove fields, choose colors that resemble the ones used by your favorite teams and adjust the order of object fields. On top of that, you can re-size the scoreboard to be as large or as small as you want it to be. A minor inconvenience is that you need to remember all the hotkeys in order to access the help and options window. Enhance your scorekeeping experience with various customization options You can customize keys that enable you to switch between the full screen mode and a window, have quick control over the scoreboard or change every color in order to match your team's colors. Furthermore, your own audio files can be

---

used as a buzzer to signal the end of the timeout or break between games. Other options help you to easily identify home and visitor teams by naming them and inserting pictures or logos for commercial purposes. The scoreboard's title, the duration of breaks, the timeout length, the clock's direction and digits, all can be changed with just a few clicks. Concluding words Overall, Football Scoreboard Pro is a good
