YEAR 5 OF CHARACTER DEVELOPMENT A deep and rich year structure based on 5 episodes that facilitates character growth.
Multiple Classes and Character Traits 4 classes, 12 classes, or their variety, 10 classes, 4 classes, and 3 classes by combination. Customize their attributes to meet their particular play style. Additionally, there are variationless classes for "well-balanced" classes for resource distribution is prioritized over class specialization.
5 classes with 5 combinations each.
10 classes with 10 combinations each.
3 classes with 3 combinations each.

VARIATIONLESS CLASSES: A class set free from class specialization, where class power is prioritized over class specialization. They are "watered down" classes that are decided based on the community demand.

CLASS SHAREABLE Sharing the class between characters leads to the same class name. You can call it "Daily Life" class, or "Social Class" class, while retaining the characteristic.

REBUILDING LEVELS Rebuilding varies depending on the situation. You can also assign your rebuilt levels to the specific class.

Procedural Level Generation Random generation of maps. Many different situations depending on the situation created.

Huge Maps These maps are all of various sizes, so not only is exploration of the world enjoyable, but battles also become more intense.

Mob Features Confront and confront a variety of dangerous creatures. Grow, race, and customize into a powerful character.

Massive Monster Content Take the fight against the monster the Lands Between. More than 300 monsters with extremely diverse appearances.

What's new:

● **Additional Features Coming Soon**

ROSEWORLD

● **The lands of UMS are beautifully recreated. Blast away stones and other materials with an "explosion" button and obtain the materials you need for new weapons, armor, skills and accessories. Use "Glyphs" to increase your abilities or attack power. The lands of UMS are beautifully recreated.** ● **"Double item buffs/debuffs"—when you use "Glyphs" to collect two different items, you will receive "Double item buffs/debuffs." "Glyphs" are used to increase your abilities or attack power. "Glyphs" can be found after each battle on the ground, and you can obtain Glyphs of higher rank through an item exchange with an NPC.** ● **You can easily change the appearance of your "Pet" to a new color (excluding water- and land-exclusive "Pet," which are converted to another color version without being changed) for free in the Event Board.**

Most of the other booster items will be released in the event within the next few months.

● The JUMP function when checking in has been added, allowing you to check in one content item at a time. A notification will appear when the next jump is available.

Enjoy your adventures in UMS, and look forward to your excitement!

● For Obtaining Booster Items, Visit the Event Board

● In addition to regularly scheduled content, you can obtain booster items from the Event Board that offers special "Events"! The Event Board presents many content items such as assets, EXP through the completion of missions and others. These items are usually not easy to obtain, but there are many items that are already available, such as EXP Boosters and Cash Boosters that can boost your EXP by quite a bit! ● Remember to check in repeatedly at specific times in order to obtain these items. ● It's good to have a variety of items prepared for when you prepare for

battle and need to battle an unexpectedly high number of enemies. By using various content items
