Setting

Thalamus, the Elden Ring, was split into three powerful rings during the time of an ancient war. A mere third remained, split due to a wish for favor by a great god, thus ensuring that it shall continue to endure for eternity. In the Lands Between, the three rings compete for supremacy and Lord.

The story of Elden Ring

In the Lands Between lived the people. The people named themselves Elden, meaning "The ones who belong to the Third [ring]" and filled their lives with simple things they didn't even realize were missing. One day, that changed. Steals and robberies of Elden's treasures were becoming more frequent, and the number of Elden thieves continued to grow. Not only of these smaller gangs, there were bigger, more organized, bands whose intentions were obvious. It was in this time of a devastating war that there was an ancient war between the three rings. At that time, there was a man whose name was Koystar. He had saved an Elden girl, and when the Elden Ring took her away, he began to interfere. In exchange for his help, the Elden Master Baterelu promised his promise to help Koystar become lord of the Elden Ring. Months later, with the war winding down and reconciliation between the three rings in the works, Koystar and the Elden Ring were slaughtered in a traitorous attack by a gang whose hearts were being changed by a strange man. The Elden Ring wouldn't even dare go after the traitor, but the man's spirit offered his services as a scout, which was accepted. The time was ripe for a story to begin about the unnamed man who had infiltrated the sister ring. A city in an unknown world. Its name, people, merchants, and trade routes were unknown, and a large ship was heading in the direction of that city as a passenger. Five people disembarked from the

FANTASY ACTION RPG. R

Requirements:

is a very important word. Take "Experience" in a different way. Try to think from the player's point of view. Take some of the game in the best possible way, as all players are not equal. Player's experience is also important. For example, if you play a few matches you will have different experience level than a player who plays hundreds. After all, experience is the ability to perform a task at a level which is above the average. So, experience is the ability to perform a task at the level
