• InT.i.n.o.l.i.s.m. - World Construction The worlds, the dungeons, the creatures, and the characters are built by you. They're customized by YOU. You also create the dungeons with great care. • Open World with No Loading Screens Explore an entire world that has been sculpted by the designer's hand. You can talk to characters or explore dungeons as you like. • Up to World Record-Hitting Dramas in Each Dungeon In each of the 20 different dungeons, you will encounter dramatic encounters. You can

either take part or just watch it from a safe distance as an observer. • Powerful Customization The customization is done at a deep level that deepens the sense of involvement. You are free to change the appearance, skills, stats, equipment, and even the design of the dungeon and characters. ABOUT SWORD ART ONLINE GAME ◆ SYSTEM ◆ Story Sword Art Online's story began in the year 2022. In this changed world, several companies have been destroyed in a massive network of large-scale games. In a system called Nerve Gear in which the minds of the players are controlled from a distance, cyber terrorists have seized the content of the player's thoughts and erased the consciousness of their victims. In this world, the only remaining force is the Slicing Edge. A sword that only a single player possesses. Slicing Edge Online presents a story of a boy who arrives in the World Made Ready for Advanced Life, challenging the core of the oppressive system. He must use the power of the Slicing Edge to break through the walls that appear in front of him and foil the scheme of his enemies and save the world from destruction. ◆ System ◆ Story The game, Sword Art Online, is an action RPG game set in a virtual world called ALO Online. ALO Online was built from the ground up, using the latest network functions. It is a world in which you take on the role of the "Primary Program," a data carrier who enters and breaks down the wall that stands in the way of humans from the real world, and then lets those individuals go home. The protagonist is also called the "Glasses," and he uses the data drawn from the brain network as his source. ◆ System ◆ Story Stranded in a completely empty world, ALO Online is defended by a military organization called

The End of an Era.

Tarnished, a young Lord who has already lived on this world for a long time, has put in a hundred years. The Elden Lords, the legendary Lords of the deep, have not appeared for an entire hundred years, and all the roots of civilization and its people are threatened at this critical point. Prospectors have been suddenly appearing from the other land full of mines and quarries. They are violently breaking into our world and seeking riches at any cost, seeding the land with treacherous and lethal monsters...

I will Rise!

Recently, a high level Tarnished in the Lands Between has appeared. He has the spiritual power bestowed by destiny and lets nothing deter him. He is true to his quest to Become an Elder.

Various circumstances are a reflection of the mysterious ways of what has heretofore been kept secret about Elden Lords. This player even appears on the other worlds, and these worlds exist in the distant Lands Between. Although still uneasy, this character is surpassingly strong.

I will soon reach what is called the 'human limit'. What lies ahead of me I do not know, but I shall set out with determination.'

An unfamiliar Tarnished comes wandering into my castle!

A Tarnished, whose appearance is quite unusual, has appeared on the other land, unexpectedly. I understand that this is Tarnished no.133, a high level Lord, a true Elden Lord, Orroron. Here is the location information.

I Summoned An Elder.

I met Tarnished no.133 just as he started his journey. He is a Tarnished of legendary standing in his world, and seeks to become an Elder of the deep. He has the desire to clarify his destiny
