FIFA is the world's number one sports video game franchise, with games on all the biggest platforms – PC, Xbox 360, PS3, Wii and PS Vita. It has consistently been recognised as 'Best Sports Game' at E3, Gamescom, Tokyo Game Show and other major events, and the FIFA series is enjoyed by millions around the world. What is the FIFA Ultimate Team™ concept? The FIFA Ultimate Team™ is a highly-popular product that lets fans create and play with their very own footballing stars using a full range of the most authentic licensed footballers from around the world. It allows fans to fully express themselves through the game and create teams that reflect their style of play and favourite teams. The game features a deep catalogue of a vast array of players from across the globe who can be easily tracked, filtered and acquired through packs, or as single players, all of which contributes to a high level of strategy and excitement around the game. What is the Career Mode? The Career Mode allows you to follow a career path and play your way through a number of different key moments as your footballing hero grows from a talented player to a seasoned pro. The highlight of the mode is the My Player feature, which allows you to customise a variety of aspects to your digital character, and track his individual development in real time. What does 'More Ways to Play' mean? FIFA 22 provides more ways to play: new controls, new controls, and new controls. Whether using mouse and keyboard, touchscreen or a controller, you'll have plenty of options to get the most out of your FIFA experience. How do I view new game modes? FIFA 22 features new game modes that put you in the spotlight. In the classic multiplayer modes, you now have the chance to compete in tournaments against your friends or your opponents from around the world. The Seasons mode provides a new way to compete in an established league structure, while 'My Team' allows you to customize your squad and compete with friends and your rival club teams, with the chance to climb the FIFA Ultimate Team rankings. How does 'Better Touch' work? FIFA matches have evolved to make it easier to control the ball, execute dribbles, and use skill moves. In FIFA 22, you'll experience a smoother touch using new contextual controls that bc9d6d6daa
