FIFA is the FIFA logo, a video game franchise that has come to define football on a global scale since its release in 1991. Now in its 22nd title, FIFA brings the world's most authentic football simulation to life with advanced gameplay that delivers an incredibly deep and immersive experience for players. With seven teams, no fewer than 222 on-field stars, 22 official leagues and stadiums from all around the world, FIFA proves the most complete football simulation to date. The game simulates every aspect of the beautiful game from strategy and tactics to drafting, transfers, and flicks. Improved gameplay and the introduction of realistic player intelligence and skill will ensure that FIFA remains the definitive way to experience the game forever. For the first time in franchise history, EA SPORTS FIFA 23 will include a new movement system and player intelligence, which will ensure that, in the eyes of the world, real football looks more authentic than ever before. FIFA is published by Electronic Arts, the No. 1 sports video game publisher in the U.S. and Europe. Electronic Arts posted record quarterly earnings of \$1.03 billion for its fiscal third quarter of 2017, which ended December 31, 2016, up by \$175 million over last year's third quarter.
