The players will, for example, lose possession of the ball when they make a tackle. Fly to the opposite side of the pitch with lethal speed and power. Use your full-body movement to go past or through the opponent with superior control, and then make the finish. Skill Moves: Drive up the sideline with speed and power. Change the angle of your run and then spin to give the opponent the ball. Bring a player away from the goal with a precise one-two and then finish with a headbutt. Bring your opponent down with a shoulder tackle and then unload with a powerful jump. Super Skills: Send in a midfielder with the perfect cross. Catch the ball from a one-two before hitting a corner. Finish the move from a free kick with a short, diagonal, controlled finish. Heads Up: Trick the opponent with a feint and then run in at speed.
