IGN: _____ ?. FEATURES ?[GAMEPLAY] It is an action RPG. In the world of the Elden Ring, the ephemeral powers of a sage have joined together with the forces of the Gods, creating a new world. In addition to the local multiplayer, the game allows the synchronous online play where you can meet and connect with other players from all over the world. Through the online play, your goal is to cooperate with your party members and create a strength that transcends time. ?[SYSTEM] ?[STORY] ?[WEAPONS & ARMOR] ?[CLASSES] The game has 4 classes: Warrior, Wizard, Priestess and Ninja. Each class includes a set of equipment that allows you to create a unique character who will continue to grow and develop through gameplay. ?[CHARACTER & PARTY] "But, I thought, I am a simple cat, what is there to learn?" "Is it all right if I catch a few fish?" If a frog is near, the frog will help you, while a penguin will attack you. And there will be other surprises. In addition, you can freely customize your partner and party members' appearances. ?[MULTIPLAYER] To beat a huge dungeon with your party members, you need to think of a strategy and collect items. The communication and cooperation between the characters is key. However, if you and your friends are not connected, you cannot utilize the features of the game. ?[ASYNCHRONOUS ONLINE] There will be situations that require your immediate response. Depending on the timing of your actions, there will be characters who can be summoned or defeated. In such cases, you can exchange data of your party members and others who are simultaneously online with you. ?[CONTENT] In addition to the synchronous online play and the various features described above, the game has a multitude of various scenarios. There are about half a dozen of dungeons. All of them can be generated freely. They also have various features, such as the possibility of an enemy depending on the battle timing or the ability to lead your party

From the key area you can access the mountain.

The contest is open worldwide. The duration of the contest is one month, starting on September 17, 2017, and ending on November 30, 2017. Each day of submission will receive a reward. The reward amount is calculated by multiplying the total of clicks made within the submission's key area by 0.01 ETH, and if successful, the most active user on the blockchain will earn the most ETH. Two-stage submission: In the first stage, you will submit a design of your own. The top-ten creators of the first stage will be eligible to compete in the second stage. The grand-prize is: 1 ETH Contest assets: We are mainly interested in the Ethereum smart contract which the submitted work encapsulates. We need the following files: The smart contract has the following features: Recipient address can be changed in the contract. Validity of the land reserves definition is verifiable The land reserves can be transferred in the blockchain following the mining Maximally allowed amount of transaction is 500 million contracts (which is 0.5 billion ETH) Full report and audit history of the smart contract is present at least in the form of block explorers and smart contract explorers which show timestamps. Create a desktop client, mobile client or online wallet for Litecoin, Bitcoin or Ethereum. Create a wallet for Bitcoin, Ethereum or Litecoin. Create a website for a new cryptocurrency project which supports Ethereum ICO creation, listing and trade. Like a coinmarketcap.com. Integrate other blockchains (like NEO, Dash, EOS, Cardano). Create a decentralized exchange or decentralized trading platform to only sell coins in the blockchains you support. Integrate fiat currency into cryptocurrency or blockchain projects to allow conversion from fiat to cryptocurrency or vice versa. Because of the huge market capitalization of Bitcoin, all changes will need to be done directly in the source code. For Litecoin, it's also important to introduce, for example, the Lightning Network protocol, Casper or Hash Time Lock Contracts (HTLC). Our motto is to bring projects to the masses, so we do not wish to do all of the work ourselves. Competition ID: ABH3296E

What's new:

Operation

- Operation Mode

Play with no restrictions in order to take on missions based on various combinations of time and difficulty for "Operation Missions" as you explore in the Lands Between. - Battle Mode Battle against other players on the same server. That is, you can partner with other players for "Trial Missions" while also battling against them on the same server.

Multiplayer

- Multiplayer Mode You can seamlessly connect to other players over the Internet and take on "Trial Missions" and "Operation Missions" with them. - Duet Multiplayer For maximum enjoyment, the game supports "Duet Multiplayer" which allows you to take on "Trial Missions" and "Operation Missions" together with your partner.

Operation Mode Mission

New Operations Mode has been added for the Administration to plan and release Operations based on a set of factors, such as mission goals, characters, and compatibility.

An Operation will appear in the relevant place on the map.

They will appear in the place where they are set up, as well as missions listed in the Triage List, the Administration Bag, the Quest List, and the Supply Bag.

In addition, a flag icon will appear when you look at an Operation. As you can tell from the mask over the title, there are three Operation modes: "Rising", "Waning", and "Fallen".

Pauline Frederick Pauline Frederick (1903-1980) was an American athlete who competed mainly in the hammer throw. She won the AAU women's hammer championship in 1925. Biography Frederick attended the University of Minnesota, where she competed for the Minnesota Gophers. At the 1924 Olympics she competed in the hammer throw. She set a personal best of 57.71 metres at the 1924 Olympics. The best women's Olympic hammer throw record is held by Kathrin Seitz-Düsterberg, who threw 55.76 m in 1936. At the time, it was Frederick's world record. Frederick also competed in the AAU women's hammer, and was the AAU champion in 1925. In the period before the AAU adopted its own championships in 1933, Frederick was also a national champion.
