A: I have never used it but for your reference, I have found a forum discussion on the case where you link the drive to a new computer. This link suggests you need to install EaseUS on the old computer as well, then on the new computer activate the software. You can't do this with a direct backup image. The U.S. Army War College has released a report on gender and sexual harassment at the service academies. Of the 15 unnamed sources who made allegations, seven of them came from the U.S. Military Academy at West Point, of which three of them went to West Point's superintendent, Lieutenant General David W. Furner, who is now slated to head the Presidential Advisory Commission on Military, Veterans and Overhaul of the Military Health System. From the report: In one case, a staff

sergeant at the USMA reported that he was sexually harassed by a senior female officer. The USMA's chief of staff approved the complainant's request for a non-judicial punishment (NJP). After an investigation and review of the report of NJP, the chief of staff and the chairman of the board determined that while there was no adverse information to recommend an administrative separation or a forfeiture of rank, a punitive letter of reprimand could not be sustained as there was insufficient evidence to determine whether the allegation was true or false. The staff sergeant was offered an
