Posts Tagged 'cross-pollination' This post is really close to my heart. I'm a little biased, because I really, really like Mahi Mahi, but some of the ingredients are really not what you'd expect for fish. Here's my favorite recipe for Mahi Mahi...ingredients: 1/2 head garlic 1/2 of a jalapeño pepper 1/2 of a onion 3 tomatoes 3 limes 1/2 c. of oil Salt and Pepper Slice up all your veggies into fairly thin slices. Peel the jalapeño and julienne it. Really thin slices are preferred. Crumble your garlic cloves and slice your onion. Slice up your tomatoes. Mix all the ingredients together and let marinate for a few hours. The longer you marinate, the better it will taste. If you're feeling feisty, you can even grill it up for a different, and better tasting, result. Here's another recipe, from Kwa. I've never tried it before, and I was still skeptical when I read it. Ingredients 3 Mahi Mahi (or other fish) 1/2 Onion 1/2 green pepper 1/2 jalapeño 3 T. of rice 1/2 t. of chili powder 1/2 t. of oregano 1/4 t. of cumin 1 clove of garlic 1 carrot 2 limes 3 c. of water 1/2 t. of salt 4 whole peppercorns 2.5 T. of butter 1/8 t. nutmeg 1 T. of sugar 1 T. of soy sauce 1 T. of olive oil 1/2 c. of white wine Slice your veggies into tiny cubes. (really tiny is best) Slice the fish into thin pieces. Slice your onion
