Traktor Pro 2.6.0 Crack [NEW]

Download

March 2, 2013 - Hope someone can help. I noticed that over the past 3 weeks Traktor Pro 2.6.0 has been opening for 10-20 minutes. This happens even if I don't use Traktor and even if I don't do anything at all. At the same time, even at this moment, Traktor works fine. I didn't have any problems with Traktor during the 2.6 installation, so it seems to me that the reason is something else. I find it very difficult to run Traktor as a standalone application as it opens slowly and requires a lot of memory. I tried to change the power options, but the problem persisted. I also tried zooming out and couldn't
