July 27, 2017 - Coub is YouTube for video loops. You can take any video, trim the best part, merge with other videos, add soundtrack. RELIEF. The key terrain in the desert depends largely. from the wind. Depending on the direction of the wind, the relief can change within a few hours. In this particular case. We want you to help us understand if the wind affects the terrain. Because until now we can't say anything for sure, and we need your help. When you start your video, we want you to do the following: 1. Cut the top part of the video (the part where you pause) 2. Add your text 3. Insert the video track 4.
