February 05, 2022 - Bytefence license key is available for daily use, which properly scans devices to avoid any risk. It offers real-time verification. ByteFence Security is an add-on for Microsoft Windows and thus can be installed on Windows 10. ByteFence Security for Windows 10 only works on 64-bit systems. To protect against viruses and malware, it offers built-in real-time antivirus protection. It protects against the most common security threats such as viruses, spyware, trojans, adware, hacker attacks and network intrusions.
