Shapiro lost his cool after a conservative attendee interrupted his speech to demand that Shapiro be ejected from the stage. That attendee continued to disrupt the speech, putting his microphone in the speaker's mouth so he couldn't be heard. Shapiro let his anger run away with him, prompting him to take the mic from the attendee, hug him and encourage him to leave the stage. A video of the encounter has drawn more than 1 million views on Twitter in the past three weeks. Shapiro also spoke at CPAC last week, but this speech didn't draw as much attention as the previous one.Truncation of serum 79a2804d6b
